

Three Worlds

Weekend Courses for Hornplayers

Join Guild of Hornplayers & special guests for a weekend of music making, focused on Timothy Jackson's unique and groundbreaking work, *Three Worlds*. Inspired by M.C. Escher's eponymous artwork, the nine movements are played simultaneously, juxtaposed in any order. Nobody knows the order before the performance begins. It all depends on the luck of the draw!

Featuring the music of:

T **Timothy Jackson**
